The Romance Specialists Team

Thank you for choosing us!

- The first step for a successful event is choosing and securing your date. In order to verify availability for a specific date and venue you should fill out the information form and send it by email to Mrs. Florencio
- Once we have made a tentative booking for your wedding (taking into consideration your preference date, type of ceremony, package and location) we would then require a deposit of 35% on your chosen package in order to fully confirm the date.
- As soon as we receive the corresponding amount we will send you a written confirmation for your date. If you have opted for our Free Meliá Wedding Package you should send us the confirmation of your reservation with 5 or more nights in a higher category room (The Level), in order to confirm the free wedding package.
- **Envisioning and planning your event:** After the date has been confirmed you will be able to book rooms and send out your invitations so that your guests have enough time to make arrangements. We will assign a **Romance Specialist** who will assist you with the entire planning. Your Romance Specialist will be more than glad to suggest some ideas to make your day memorable! This period is also the time where we will ask for some information in order to speed up some processes. SUGGESTED PROTOCOL FOR YOUR WEDDING CEREMONY ENTRANCE

Guests & parents:

All the guests have to arrive to the ceremony location 15 minutes before the start time; the first seats are going to be for the first family members like mother, father, grandparents, brothers and sisters.

The parents of the bride sit in the first row on the right hand side facing the altar while the parents of the groom sit in the first row on the left hand side.

Groom:

The groom arrives to the ceremony location before the bride, he will take his position near the altar in the left side, and his best man will stand next to him.

Bridal Entourage:

In a row all are going to be organized from the smallest to the tallest or in the order the couple has previously decided.

The flower girl and the ring bearer are going to be the first ones. The Bridesmaids and Groomsmen walk together in couples. Then we have the Maid of Honor. The distance between each other are 3 steps, and they will begin walking from and when the "Romance specialist" inform them. The bridesmaids are going to stand up next to the bride and the groomsmen next to the groom. The Maid of Honor and Best man are going to be the closest to the bride and groom respectively.

Bride:

The bride will walk with her father, mother, or with a special guest designated by the bride at her left side. When they arrive to the altar, he/she shakes hands/greet the groom, will give the bride a kiss and take her hand and give it to the groom, then he/she can take a seat in the bride's side.

Couple together:

As soon as the groom receives the hand of the bride they will walk together and stand up in front of the Main table, the bride will be at the right side and the groom at the left side during the whole ceremony; they can take their hands together and face each other.

Say "I do" with passion!
